"(4) Rule of construction.—The submission of any report in compliance with this section shall not be construed as an admission that the cosmetic product involved caused or contributed to the relevant adverse event.

"SEC. 606. GOOD MANUFACTURING PRACTICE.

"(a) In general.—The Secretary shall by regulation establish good manufacturing practices for facilities
that are consistent, to the extent practicable, and appro-

intended to protect the public health and ensure that cos-
metic products are not adulterated. Such regulations may
allow for the Secretary to inspect records necessary to
demonstrate compliance with good manufacturing prac-
tices prescribed by the Secretary under this paragraph
during an inspection conducted under section 704.

“(b) CONSIDERATIONS.—In establishing regulations
for good manufacturing practices under this section, the
Secretary shall take into account the size and scope of the
businesses engaged in the manufacture of cosmetics, and
the risks to public health posed by such cosmetics, and
provide sufficient flexibility to be practicable for all sizes
and types of facilities to which such regulations will apply.
Such regulations shall include simplified good manufac-
turing practice requirements for smaller businesses, as ap-
propriate, to ensure that such regulations do not impose
undue economic hardship for smaller businesses, and may
include longer compliance times for smaller businesses.
Before issuing regulations to implement subsection (a),
the Secretary shall consult with cosmetics manufacturers,
including smaller businesses, consumer organizations, and
other experts selected by the Secretary.
“(c) **TIMEFRAME.**—The Secretary shall publish a notice of proposed rulemaking not later than 2 years after the date of enactment of the Modernization of Cosmetics Regulation Act of 2022 and shall publish a final such rule not later than 3 years after such date of enactment.

any, previously assigned by the Secretary under
subsection (d);

"(1) IN GENERAL.—For each cosmetic product, the responsible person shall submit to the Secretary a cosmetic product listing, or ensure that such submission is made, at such time and in such manner as the Secretary may prescribe.

"(2) COSMETIC PRODUCT LISTING.—The responsible person of a cosmetic product that is marketed on the date of enactment of the Modernization of Cosmetics Regulation Act of 2022 shall submit to the Secretary a cosmetic product listing not later than 1 year after the date of enactment of the Modernization of Cosmetics Regulation Act of 2022, or for a cosmetic product that is first marketed after the date of enactment of such Act, within 120 days of marketing such product in interstate commerce. Thereafter, any updates to such listing shall be made annually, consistent with paragraphs (4) and (5).

"(3) ABBREVIATED RENEWAL.—The Secretary shall provide for an abbreviated process for the renewal of any cosmetic product listing under this subsection with respect to which there has been no change since the responsible person submitted the previous listing.

“(v) the product listing number, if any previously assigned by the Secretary under subsection (d).

“(B) FLEXIBLE LISTINGS.—A single listing submission for a cosmetic product may in-

quantity of contents.

"(5) UPDATES TO CONTENT.—A responsible
person that is required to submit a cosmetic product
listing shall submit any updates to such cosmetic
product listing annually.

"(6) SUBMISSION.—A responsible person may
submit product listing information as part of a facil-

shall be withheld under section 552(b)(3) of title 5, United
States Code.
“(f) SUSPENSIONS.—

“(1) SUSPENSION OF REGISTRATION OF A FACILITY.—The Secretary may suspend the registration of a facility if the Secretary determines that a cosmetic product manufactured or processed by a registered facility and distributed in the United States has a reasonable probability of causing serious adverse health consequences or death to humans and the Secretary has a reasonable belief that other products manufactured or processed by the facility may be similarly affected because of a failure that cannot be isolated to a product or products, or is sufficiently pervasive to raise concerns about other products manufactured in the facility.

“(2) NOTICE OF SUSPENSION.—Before suspending a facility registration under this section, the Secretary shall provide—

“(A) notice to the facility registrant of the cosmetic product or other responsible person, as appropriate, of the intent to suspend the facility registration, which shall specify the basis of the determination by the Secretary that the facility registration should be suspended; and

“(B) an opportunity, within 5 business days of the notice provided under subparagraph
(A), for the responsible person to provide a plan for addressing the reasons for possible suspension of the facility registration.

“(3) HEARING ON SUSPENSION.—The Secretary shall provide the registrant subject to an order under paragraph (1) or (2) with an opportunity for an informal hearing, to be held as soon as possible but not later than 5 business days after the issuance of the order, or such other time period agreed upon by the Secretary and the registrant, on the actions required for reinstatement of registration and why the registration that is subject to the suspension should be reinstated. The Secretary shall reinstate a registration if the Secretary determines, based on evidence presented, that adequate grounds do not exist to continue the suspension of the registration.

“(4) POST-HEARING CORRECTIVE ACTION PLAN.—If, after providing opportunity for an informal hearing under paragraph (3), the Secretary determines that the suspension of registration remains necessary, the Secretary shall require the registrant to submit a corrective action plan to demonstrate how the registrant plans to correct the conditions found by the Secretary. The Secretary shall review such plan not later than 14 business days after the
submission of the corrective action plan or such other time period as determined by the Secretary, in consultation with the registrant.

"(5) Vacating of Order; Reinstatement.— Upon a determination by the Secretary that adequate grounds do not exist to continue the suspension actions, the Secretary shall promptly vacate the suspension and reinstate the registration of the facility.

"(6) Effect of Suspension.—If the registration of the facility is suspended under this section, no person shall introduce or deliver for introduction into commerce in the United States cosmetic products from such facility.

"(7) No Delegation.—The authority conferred by this section to issue an order to suspend a registration or vacate an order of suspension shall not be delegated to any officer or employee other than the Commissioner.

"Sec. 608. Safety substantiation.

"(a) Substantiation of Safety.—A responsible person for a cosmetic product shall ensure, and maintain records supporting, that there is adequate substantiation of safety of such cosmetic product.
“(b) COAL-TAR HAIR DYE.—Subsection (a) shall not apply to coal-tar hair dye that otherwise complies with the requirements of section 601(a). A responsible person for a coal-tar hair dye shall maintain records related to the safety of such product.

“(c) DEFINITIONS.—For purposes of this section:

“(1) ADEQUATE SUBSTANTIATION OF SAFETY.—The term ‘adequate substantiation of safety’ means tests or studies, research, analyses, or other evidence or information that is considered, among experts qualified by scientific training and experience to evaluate the safety of cosmetic products and their ingredients, sufficient to support a reasonable certainty that a cosmetic product is safe.

“(2) SAFE.—The term ‘safe’ means that the cosmetic product, including any ingredient thereof, is not injurious to users under the conditions of use prescribed in the labeling thereof, or under such conditions of use as are customary or usual. The Secretary shall not consider a cosmetic ingredient or cosmetic product injurious to users solely because it can cause minor and transient reactions or minor and transient skin irritations in some users. In determining for purposes of this section whether a cosmetic product is safe, the Secretary may consider, as
appropriate and available, the cumulative or other
relevant exposure to the cosmetic product, including
any ingredient thereof.

"SEC. 609. LABELING.

"(a) GENERAL REQUIREMENT.—Each cosmetic prod-
uct shall bear a label that includes a domestic address,
domestic phone number, or electronic contact information,
which may include a website, through which the respon-
sible person can receive adverse event reports with respect
to such cosmetic product.

"(b) FRAGRANCE ALLERGENS.—The responsible per-
son shall identify on the label of a cosmetic product each
fragrance allergen included in such cosmetic product. Sub-
stances that are fragrance allergens for purposes of this
subsection shall be determined by the Secretary by regu-
lation. The Secretary shall issue a notice of proposed rule-
making promulgating the regulation implementing this re-
quirement not later than 18 months after the date of en-
actment of the Modernization of Cosmetics Regulation Act
of 2022, and not later than 180 days after the date on
which the public comment period on the proposed rule-
making closes, shall issue a final rulemaking. In promul-
gating regulations implementing this subsection, the Sec-
retary shall consider international, State, and local re-
quirements for allergen disclosure, including the substance
and format of requirements in the European Union, and
may establish threshold levels of amounts of substances
subject to disclosure pursuant to such regulations.

"(c) COSMETIC PRODUCTS FOR PROFESSIONAL
USE.—

"(1) DEFINITION OF PROFESSIONAL.—For pur-
poses of this subsection, the term 'professional'
means an individual who is licensed by an official
State authority to practice in the field of cosme-
tology, nail care, barbering, or esthetics.

"(2) PROFESSIONAL USE LABELING.—A cos-
metic product introduced into interstate commerce
and intended to be used only by a professional shall
bear a label that—

"(A) contains a clear and prominent state-
ment that the product shall be administered or
used only by licensed professionals; and

"(B) is in conformity with the require-
ments of the Secretary for cosmetics labeling
under this Act and section 4(a) of the Fair
Packaging and Labeling Act.

"SEC. 610. RECORDS.

"(a) IN GENERAL.—If the Secretary has a reasonable
belief that a cosmetic product, including an ingredient in
such cosmetic product, and any other cosmetic product
that the Secretary reasonably believes is likely to be af-
fected in a similar manner, is likely to be adulterated such 
that the use or exposure to such product presents a threat 
of serious adverse health consequences or death to hu-
mans, each responsible person and facility shall, at the re-
quest of an officer or employee duly designated by the Sec-
retary, permit such officer or employee, upon presentation 
of appropriate credentials and a written notice to such 
person, at reasonable times and within reasonable limits 
and in a reasonable manner, to have access to and copy 
all records relating to such cosmetic product, and to any 
other cosmetic product that the Secretary reasonably be-
lieves is likely to be affected in a similar manner, that 
are needed to assist the Secretary in determining whether 
the cosmetic product is adulterated and presents a threat 
of serious adverse health consequences or death to hu-
mans. This subsection shall not be construed to extend 
to recipes or formulas for cosmetics, financial data, pricing 
data, personnel data (other than data as to qualification 
of technical and professional personnel performing func-
tions subject to this Act), research data (other than safety 
substantiation data for cosmetic products and their ingre-
dients), or sales data (other than shipment data regarding 
sales).
"(b) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to limit the authority of the Secretary to inspect records or require establishment and maintenance of records under any other provision of this Act, including section 605 or 606.

"SEC. 611. MANDATORY RECALL AUTHORITY.

"(a) IN GENERAL.—If the Secretary determines that there is a reasonable probability that a cosmetic is adulterated under section 601 or misbranded under section 602 and the use of or exposure to such cosmetic will cause serious adverse health consequences or death, the Secretary shall provide the responsible person with an opportunity to voluntarily cease distribution and recall such article. If the responsible person refuses to or does not voluntarily cease distribution or recall such cosmetic within the time and manner prescribed by the Secretary (if so prescribed), the Secretary may, by order, require, as the Secretary determines necessary, such person to immediately cease distribution of such article.

"(b) HEARING.—The Secretary shall provide the responsible person who is subject to an order under subsection (a) with an opportunity for an informal hearing, to be held not later than 10 days after the date of issuance of the order, on whether adequate evidence exists to justify the order.

“(2) continue the order ceasing distribution of the cosmetic until a date specified in such order; or

“(3) amend the order to require a recall of the cosmetic, including any requirements to notify appropriate persons, a timetable for the recall to occur, and a schedule for updates to be provided to the Secretary regarding such recall.

“(d) ACTION FOLLOWING ORDER.—Any person who is subject to an order pursuant to paragraph (2) or (3) of subsection (e) shall immediately cease distribution of or recall, as applicable, the cosmetic and provide notification as required by such order.

“(e) NOTICE TO PERSONS AFFECTED.—If the Secretary determines necessary, the Secretary may require the person subject to an order pursuant to subsection (a) or an amended order pursuant to paragraph (2) or (3) of subsection (c) to provide either a notice of a recall order for, or an order to cease distribution of, such cosmetic, as applicable, under this section to appropriate persons,
including persons who manufacture, distribute, import, or offer for sale such product that is the subject of an order and to the public.

“(f) **PUBLIC NOTIFICATION.**—In conducting a recall under this section, the Secretary shall—

“(1) ensure that a press release is published regarding the recall, and that alerts and public notices are issued, as appropriate, in order to provide notification—

“(A) of the recall to consumers and retailers to whom such cosmetic was, or may have been, distributed; and

“(B) that includes, at a minimum—

“(i) the name of the cosmetic subject to the recall;

“(ii) a description of the risk associated with such article; and

“(iii) to the extent practicable, information for consumers about similar cosmetics that are not affected by the recall; and

“(2) ensure publication, as appropriate, on the website of the Food and Drug Administration of an image of the cosmetic that is the subject of the press release described in paragraph (1), if available.
"(g) No Delegation.—The authority conferred by this section to order a recall or vacate a recall order shall not be delegated to any officer or employee other than the Commissioner.

"(h) Effect.—Nothing in this section shall affect the authority of the Secretary to request or participate in a voluntary recall, or to issue an order to cease distribution or to recall under any other provision of this chapter.

"Sec. 612. Small Businesses.

"(a) In General.—Responsible persons, and owners and operators of facilities, whose average gross annual sales in the United States of cosmetic products for the previous 3-year period is less than $1,000,000, adjusted for inflation, and who do not engage in the manufacturing or processing of the cosmetic products described in subsection (b), shall be considered small businesses and not subject to the requirements of section 606 or 607.

"(b) Requirements Applicable to All Manufacturers and Processors of Cosmetics.—The exemptions under subsection (a) shall not apply to any responsible person or facility engaged in the manufacturing or processing of any of the following products:

"(1) Cosmetic products that regularly come into contact with mucus membrane of the eye under conditions of use that are customary or usual.
"(2) Cosmetic products that are injected.

"(3) Cosmetic products that are intended for internal use.

"(4) Cosmetic products that are intended to alter appearance for more than 24 hours under conditions of use that are customary or usual and removal by the consumer is not part of such conditions of use that are customary or usual.

"SEC. 613. EXEMPTION FOR CERTAIN PRODUCTS AND FACILITIES.

"(a) IN GENERAL.—Notwithstanding any other provision of law, except as provided in subsection (b), a cosmetic product or facility that is also subject to the requirements of chapter V shall be exempt from the requirements of sections 605, 606, 607, 608, 609(a), 610, and 611.

"(b) EXCEPTION.—A facility described in subsection (a) that also manufactures or processes cosmetic products that are not subject to the requirements of chapter V shall not be exempt from the requirements of sections 605, 606, 607, 608, 609(a), 610, and 611, with respect to such cosmetic products.

"SEC. 614. PREEMPTION.

"(a) IN GENERAL.—No State or political subdivision of a State may establish or continue in effect any law, regulation, order, or other requirement for cosmetics that
is different from or in addition to, or otherwise not iden-
tical with, any requirement applicable under this chapter
with respect to registration and product listing, good man-
ufacturing practice, records, recalls, adverse event report-
ing, or safety substantiation.

"(b) LIMITATION.—Nothing in the amendments to
this Act made by the Modernization of Cosmetics Regula-
tion Act of 2022 shall be construed to preempt any State
statute, public initiative, referendum, regulation, or other
State action, except as expressly provided in subsection
(a). Notwithstanding subsection (a), nothing in this sec-
tion shall be construed to prevent any State from prohib-
iting the use or limiting the amount of an ingredient in
a cosmetic product, or from continuing in effect a require-
ment of any State that is in effect at the time of enact-
ment of the Modernization of Cosmetics Regulation Act
of 2022 for the reporting to the State of an ingredient
in a cosmetic product.

"(c) SAVINGS.—Nothing in the amendments to this
Act made by the Modernization of Cosmetics Regulation
Act of 2022, nor any standard, rule, requirement, regula-

repeal, or displace any action for damages or the liabil-
ity of any person under the law of any State, whether stat-
