

9/3/2024

Day 1 Agenda (October 8, 2024) Microbiology and Environmental Science

- 8:30 – 8:45** **Welcome / Opening Remarks**
Salon 3 Thomas Myers, President & CEO, PCPC
 Alexandra Kowcz, EVP of Science, PCPC
- 8:45 – 9:35** **The Microbiome and Consumer Products: Tools, Measures, and Insights (Microbiology)**
Salon 3 Dr. Jay Tiesman, R&D Senior Director Research Fellow, Procter & Gamble
- Untangling Coral Sensitivity to UV Filters and Moving Towards Standardized Methods for Ecological Risk Assessment (Environmental Science)**
Salon 1 Dr. Sandy Raimondo, Senior Research Ecologist, U.S. Environmental Protection Agency (USEPA)
- 9:35 – 10:10** **EXPO Break**
- 10:10 – 11:00** **Balancing Act: The Skin Microbiome’s Temporal Stability and Resilience to Soaps, Cleansers, and Cosmetics (Microbiology)**
Salon 3 Dr. Greg Hillebrand, Associate Professor of Pharmaceutical and Cosmetic Sciences, University of Cincinnati
- How Time and Place Define the Concentration of UV Filters off a Florida Beach (Environmental Science)**
Salon 1 Dr. Carys Mitchelmore, Professor & Interim Director, Center for Environmental Science, University of Maryland (UMCES)
- 11:00 – 11:50** **Navigating the Microbiome World – Wild West of Claims and Methods? (Microbiology)**
Salon 3 Dr. Sabrina Behnke, Associate Business Director, Tri-K Industries
- US EPA’s CompTox Chemicals Dashboard: Exploring the Chemical Data Landscape (Environmental Science)**
Salon 1 Dr. Nisha Sipes, Assistant Center Director, Center for Computational Toxicology and Exposure (CCTE), Office of Research and Development, U.S. EPA; Product Owner of the CompTox Chemicals Dashboard

9/3/2024

11:50 – 1:15 Networking Lunch / EXPO Break

Plaza
Ballroom

1:15 – 2:05 Formulating with Live Cultures: Are we Compatible? (Microbiology)

Salon 3
Dan Brownell, Senior Director of R&D, AOBiome Therapeutics

Can Next Generation Ecological Risk Assessment Decisions be Made Today? A Case Study of Regulatory Risk Assessment in the United States (Environmental Science)

Salon 1
Dr. Paul DeLeo, Senior Director, Chemical Management, American Chemistry Council (ACC)

2:05 – 2:55 Evolution of Microbiological Testing for Cosmetics in FDA (Microbiology)

Salon 3
Dr. Jo Mei-Chiung Huang, Microbiologist, Office of Cosmetics & Colors, FDA

Environmental Animal-Free Safety Assessments: A Global View on Challenges & Opportunities (Environmental Science)

Salon 1
Dr. Amelie Ott, Director, Environmental Sciences, International Collaboration on Cosmetics Safety (ICCS)

2:55 – 3:25 EXPO Break

3:25 – 4:15 Ultra-Rapid Non-Growth Methods: Shift, Approach, Learnings, Opportunities (Microbiology)

Salon 3
Dr. Terry Amoroso, Corporate QA Technical Director of Industrial Microbiology, Procter & Gamble

The Future of Compliance with VOC Regulations (Environmental Science)

Salon 1
Nicholas Georges, Senior Vice President, Scientific & International Affairs, Household & commercial Products Association (HCPA)

4:15 – 4:30 Early Career Microbiologist Award (Microbiology)

Salon 3
Joyce Lam, Sr. Manager, Science Programs, PCPC

4:15 – 4:55 Translating Science into a Story: Tools to Optimize Science Communication (Environmental Science)

Salon 1
Dr. Aegean Chan, Dermatologist and Dermatopathologist, California Dermatology (CDG)

4:30 – 4:45 Final Address (Microbiology)

Dennis Neeson, Sr. Quality & Technical Manager, Colgate-Palmolive

4:55-5:35 Unilever Sustainability Roadmap (Environmental Science)

Salon 1
Stefani Millie Grant, Associate Director, External Affairs & Sustainability, Unilever

5:35 – 6:35 Closing Remarks /Networking Reception

Salon 2 /
Plaza
Foyer
Thomas Myers, President & CEO, PCPC
